

Sports Premium Impact Report

2016 - 2017

St. Anthony's Catholic Primary School and Nursery

SUMMARY OF FUND SPENDING 2016/17

Objectives in spending funding:

Following the 2012 Olympics, the government pledged sports funding to all schools. Schools must spend the additional funding on improving their provision of physical education (PE) and sport, but have the freedom to choose how they do this. At St Anthony's we provide several initiatives including hiring specialist PE teachers/qualified sports coaches and providing professional development for our own staff. We also commit a considerable amount of resources to participation in sports competitions (within school and between schools), purchasing equipment and providing places for pupils in after school sports clubs. This ensures high quality training for our staff as they are able to lead these events.

We regularly measure the impact of all fund spending and review provision accordingly.

Brief forecast of spending and actions to be taken in 2016/2017:

- We further developed our participation in the Slough School Sport Network (SSSN)
- Real PE planning, teaching and learning were further developed across the school
- We continued to modelled, to new members of staff Real PE teaching
- Hockey, tag rugby, gymnastics, netball and orienteering training have been undertaken by five members of staff
- We are working towards the Sainsbury's Silver Award
- Children in KS2 have participated/are participating in Gymnastics, Tag Rugby, Netball, hockey and football competitions and leagues,

working in collaboration with primary and secondary schools in Slough and also at County level. This ensures professional development opportunities regularly take place for the relevant staff

- A consultant sports coach specialist has delivered a series of athletic activities with Year 5, staff development will be part of this process
- Competitions have given opportunities for mixed and single gender participation
- Pupil Premium children and those with Special Education Needs have been considered a priority for selection to teams, promoting inclusion
- Sports Days for all children included an increased focus on competition, athletic skills and staff development
- After School Clubs offered this year included football, netball, athletics, sports skills, gymnastics, street dance, rounders, Irish dancing, tag rugby and table tennis, with permanent staff leading or shadowing various activities for their professional development
- Before School Club offered in Gymnastics, teacher regularly observed by colleagues
- Lunch Time Clubs offered to children in KS2 included football, tag rugby and climbing wall, led by our trained staff
- Lunch Time Club – Multi skills offered to children in KS1, led by our trained staff
- Specialist coaches/sports leaders employed during curriculum time for Gymnastics, multi skills (with a focus on team work), Swimming and Street Dance, observed by newly qualified staff and others requesting CPD
- Training in playground leadership, including planning and supporting children in games skills, took part in the summer term
- Our Creative Curriculum included units in all year groups which focused on healthy living; outdoor learning was a focus
- Children in KS2 had the opportunity to become Sports Leaders, this linked in to our new Young Leaders initiative
- Individual children and groups of children were tracked for progress and attainment in PE
- A summer football tournament took place in school
- Staff versus children matches were played in netball and rounders in the summer term
- Walking, cycling and scooting to and from school were a regular focus
- Observations and feedback to develop staff were embedded in our performance management cycle
- Dance students have been in school to teach Year 1
- Year 6 participated in a sports event delivered by St Josephs (Part of Multi Academy Trust)

Record of spending by item 2016/2017

Action / Project	Cost	Impact
We have further developed our participation in the Slough School Sport Network (SSSN)	Time	Increased opportunities for children to compete at local and national level; improved communication between PE subject lead and colleagues in SSSN; better collaboration with other primary and secondary schools
Real PE training has continued to be modelled to new members of staff		High levels of PE being taught to all year groups
Real PE planning, teaching and learning is in place across the school, new teams supported		Consistent approach to the teaching of PE
Five staff members attended CPD in Hockey, orienteering, REAL gymnastics, netball	£335.00	After school club for Hockey has been scheduled for September '17
Tom Kemp, specialist sports coach, supported and trained staff in Year 3 for a whole year programme of study	£1540.00	Leader's actions have developed teaching skills within this year group
Football league – a team of boys competed in a series of four matches. Parents transported.	£180.00	Games have been played, we came 5 th .
Will O'Neill, specialist gymnastics coach, supported and trained staff in Year 4 & 6 for a whole year programme of study	£1062.00	Leader's actions have developed teaching skills within these year groups.
Effective use of teacher support assistants in PE lessons (linked to school improvement priority)		100% of observed support staff graded good or better for their contribution to formally observed PE lessons
Challenging the more able sports persons through self-assessment using Real PE		Observed lessons demonstrated that 95% of pupils challenge themselves to 'unlock' the next assessment target, with 100% of the more able taking ownership of progress in this way

<p>Competitions have given opportunities for mixed and single gender participation:</p> <p>Football and Netball competition</p> <p>Netball competition (High 5)</p> <p>Tag rugby yr 3/ 4 & yr 5/ 6</p> <p>Hockey</p> <p>Sportshall Athletics</p>	<p>£1110.00</p>	<p>Five competitions/leagues mixed gender</p> <p>Staff have experienced the competition and improved their future strategy for success linked to their coaching skills.</p> <p>Football/ Netball competition – Netball came 2nd, football came 4th</p> <p>Netball competition (High 5) – A team = 2nd in their pool. B team = 4th in their pool.</p> <p>Tag rugby yr 3/4 went through to county festival – this was not a progressive sport as it was based on the rugby values instead of score outcome.</p> <p>Hockey = came 4th</p> <p>Sportshall Athletics = 5th</p>
<p>Pupil Premium children and those with Special Education Needs have been considered a priority for selection to teams, promoting inclusion</p>		<p>20 Pupil Premium selected for teams; Pupil Premium and SEN given priority for all before and after school clubs</p>
<p>Sports Days for all children included an increased focus on competition</p>		<p>All activities involved inter house competition; staff trained in supporting this</p>
<p>After School Clubs offered this year include football, netball, athletics, sports skills, gymnastics, rounders, tag rugby and table tennis</p> <p>Staff versus children netball and rounders matches</p>	<p>£2300.00</p>	<p>See separate attendance registers for full measure of impact; all clubs popular with 51% of children in KS2 attending</p>
<p>Before School Club offered in Gymnastics</p>		<p>100% attendance; PP children who participate have their fees paid from PP budget</p>

Lunch Time Club offered in football, tag rugby and climbing wall to children in KS2; football tournament	£300.00	Skills of support staff delivering clubs have been enhanced; clubs are oversubscribed
Specialist coaches/sports leaders employed during curriculum time for Gymnastics, Swimming and Street Dance. Swimming includes a parental contribution.	£13650.00 (not taken from SP funding)	100% of pupils receive specialist gymnastics teaching during their time at St Anthony's 15% of children in Y4 could swim before the lessons; 90% can now swim following lessons 100% of pupils receive specialist street dance teaching during their time at St Anthony's St Anthony's staff observe, lead and support groups
Our Creative Curriculum included units in all year groups which focused on healthy living; most year groups include a specialist dance unit		100% of pupils have learnt about healthy living including diet and nutrition; teeth and body hygiene; puberty and physical development 80% of pupils have learnt new dance styles (Y5 Opera range of dances and Tudor; Y2 Bollywood)
Swimming specialist coach for SEN children in year 4	£358.00	SEN children are supported and taught to own levels.

Plans for the next academic year 2017/18

As an expanding school, funding will increase organically for the next academic year. Current plans include:

- Working towards Sainsbury's Sports Kite Mark Silver
- To develop dance across the school further using a specialist dance teacher
- Participating in more inter-school competitions and leagues
- Restructuring PE leadership team to maximise skills base
- Professional development of teaching and support staff to ensure children with physical disabilities are sufficiently challenged
- Ensure Y5 Play Leaders learn playground games and teach these to Reception and Year 1
- Expand the Young Leadership programme
- Sustain Bike It programme
- Develop links within Multi Trust, maximise staff skills and improve opportunities for children
- Launch Daily Mile into the school timetable
