In the Gospel this week we are reminded that we should put God above all worldly possessions. An iPhone 11 may come and go, but love, faith and belonging will always be with us.

In our worship today we are encouraging our pupils to think about what is truly important in our lives; not computer games and mobile phones but following our Gospel values.

As we start a new week at St. Anthony's, let us be ever-reminded of the importance of our children loving and caring for each other.

This Week:

This past week we have been enjoying seeing our children participating in fantastic PE lessons, led by our new Sport's Coach, Mr Jawandha. His lessons follow the 'Real PE' scheme, which our children are very much enjoying!

The votes are in! We have appointed our new School Council Representatives and they are already hard at work thinking up new ways to make our school even better. Well done to the team!

All staff very much look forward to hearing their ideas and helping them to put their ideas into action.

Yesterday we said farewell to our Year 5 children heading off to Bude for an exciting week-long residential trip. The children will be participating in a variety of fun-filled activities; they will be climbing high ropes, abseiling and surfing, to name a few activities! We wish them all a wonderful experience and opportunity to build strong bonds with each other and develop their independence.

The WORD of the Week:

Each week we would like to share a scripture with you to share and discuss with your children.

May the Lord bless you and take care of you;
May the Lord be kind and gracious to you;
May the Lord look on you with favour and give you peace.

Clubs

A reminder to all parents that clubs are now on Parent Pay and you are able to sign your child up for clubs. There are still spaces available in many clubs, starting this week.

Start and End of Day Procedures

Please ensure that if you need to enter the school for any reason, you do so through the main entrance, not through classrooms or doors from the playground, so that we can keep a log for safeguarding and fire safety.

We have reviewed the end of day procedures for all years and have decided that all children in Year 4 to Year 6 will be walked out to the playground and handed over to parents/carers.

If year 6 children wish to walk home they must bring in a note giving permission. If somebody new is collecting your child, you must ensure that the school has been made aware of this.

Thank you.
