

SCHOOL LUNCHES

The school lunches are now being provided by ISS Facility Services.

To register online please visit:

www.feedinghungryminds.co.uk/online-payments. Please select Primary Schools in Slough and then the school name. You will need to enter your child's name, year and class to register them. Registration will take 72 hours to activate.

If you need to pay for school meals you can either pay cash direct to the dining room in an envelope with your child's name and class on the front, or pay online with a card.

If you register online you can also see the menu and pre-order meals. If you do not want to pre-order meals your child will be able to order their lunch in class in the morning.
