

Pupil premium strategy statement

Before completing this template, read the Education Endowment Foundation's guidance on [using your pupil premium funding effectively](#) and DfE's [using pupil premium guidance](#), which includes the 'menu of approaches'. It is for school leaders to decide what activity to spend their pupil premium (and recovery premium) on, within the framework set out by the menu.

All schools that receive pupil premium (and recovery premium) are required to use this template to complete and publish a pupil premium statement on their school website by 31 December every academic year.

If you are starting a new pupil premium strategy plan, use this blank template. If you are continuing a strategy plan from last academic year, you may prefer to edit your existing statement.

Before publishing your completed statement, delete the instructions (text in italics) in this template, including this text box.

St. Anthony's Catholic Primary School and Nursery

This statement details our school's use of pupil premium (and recovery premium) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the outcomes for disadvantaged pupils last academic year.

Part A: Pupil premium strategy plan

Statement of intent

Our intention is that all children within St. Anthony's achieve their full potential and have access to excellent standards of teaching in the classroom, every day.

When a child is categorised as Pupil Premium, the child should have every opportunity to reach this expectation

You may want to include information on:

- *What are your ultimate objectives for your disadvantaged pupils?*
- *How does your current pupil premium strategy plan work towards achieving those objectives?*
- *What are the key principles of your strategy plan?*

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Attendance for some of our children categorised as PP is significantly below national expectations
2	In some families, parents are not able to support their children with learning at home.
3	The mental health and wellbeing of some of our children categorised as PP is a concern.
4	The academic achievement of some of our vulnerable children is not in line with national expectation and in line with progress expectations. This is partly due to the lack of Cultural Capital. Children do not always have access to the resources, support and opportunities that others do.
5	The financial situation of some of our children categorised as PP is a concern, where parents sometimes struggle to fund trips and purchase basic supplies for school – uniform, stationery and food.
6	Not all disadvantaged children are achieving in line with their peers, or in line with their potential.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
<i>Attendance has improved and is more in line with national expectations (96%)</i>	Children will be able to access learning because their attendance has improved. Outcomes will improve for every child.
More support and workshops have been provided for parents to support them with their personal situations, and to support them to support their children at home.	Families and children, in particular, feel supported. Children will achieve better because they are able to access learning and support at home. Families understand how to support their children at home.
Children receive mentoring and interventions to support their mental health and wellbeing, including reward trips and socialisation.	Children are happy, well-adjusted and are able to be active citizens, supporting each other and developing confidence and skills.
Children categorised as vulnerable will have access to more opportunities, to enhance their oracy skills and their academic achievements.	Data shows that children are achieving one in line with their peers, who are not categorised as PP.
Children have the resources they need to fit in with their peers, access a variety of experiences, and be free to learn.	Financial barriers no longer exist for children to achieve.
Disadvantaged children have access to high quality education and are able to gain support with their learning, through quality-first teaching and targeted support and intervention	Children achieve in line with their potential and at least as well as their peers.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium) funding **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £ 10,000

Activity	Evidence that supports this approach	Challenge number(s) addressed
<i>Purchasing and use of School IP System and implementation of Aspirational Steps programme</i> £5,000	<p>Good quality teaching and learning is the biggest barrier to all children achieving their best, including disadvantaged children.</p> <p>By using School IP, we have put in place a new teaching support package to role out to all staff across the year, starting with teachers. There are at least 4 members of staff on this 6-8-week developments programme, called Aspirational Steps, at any one time. This means that the practice within classrooms improves and, therefore, the outcomes for our disadvantaged children.</p>	4 6
<i>Good-quality CPD</i> £5,000	<p>CPD will target subject-knowledge and practice of teaches, to ensure that children are experiencing the best teaching in the classroom and the most appropriate targeted support, to improve their learning outcomes.</p>	4 6
<i>Training of Teaching Assistants – CPD programme</i> £8,000	<p>A training programme will be put in place and a mentor assigned to support TAs within school, to ensure that their intervention and support is good quality and expectations are high.</p> <p>A member of staff will be appointed to oversee this training and development, to model to them and to meet with them. Mentors for TAs will be assigned.</p>	4 6

Targeted academic support (for example, tutoring, one-to-one support, structured interventions)

Budgeted cost: £ [insert amount]

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p><i>Tuition and intervention for disadvantaged children</i> <i>(To cover a small percentage of the Learning Mentors' salaries and tuition, delivered by teachers and trained staff.</i> <i>£17,000</i></p>	<p>Children have access to tuition throughout the year, to support with learning in key areas of the curriculum.</p> <p>Tuition is accessed in English and Maths.</p> <p>Children are also accessing curriculum vocabulary groups and catch up sessions on a Friday afternoon.</p> <p>Children have additional support within class and each have a mentor. Many children access additional mentoring through our Learning Mentors.</p>	<p>4 6</p>

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £ [insert amount]

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p><i>New appointment of our pastoral Lead within school</i> <i>(£33,00)</i></p>	<p>Our Pastoral Lead will be able to support children with their wellbeing and mental health, by providing mentoring support. This role also includes close monitoring of attendance and supporting the administration of attendance, analysing data and actioning a plan for improving attendance, by issuing letters and holding meetings with families, along with the SLT.</p> <p>Parents will also receive more events and support, where needed. For example, coffee mornings or wellbeing sessions, stay and play sessions with younger children.</p> <p>This individual is tri-lingual and is highly trained in SEN and is a key member of the safeguarding team.</p>	<p>1 2 3 4 6</p>
<p><i>Families to be offered parent-child cooking classes/ stay and play sessions</i> <i>£3,000 – staff time and ingredients</i></p>	<p>A member of staff will run these programmes, to support relationships within families and to give opportunities for families to have positive shared experiences.</p>	<p>2 3 4</p>

	Children will have opportunities to attend groups with a parent and learn together.	
<i>Paying and supporting the funding of trips and experiences within school – after school clubs, Wrap Around Club and Breakfast Club £10,000</i>	Children have access to experiences for learning to develop their Cultural Capital. Children also have access to attend after school clubs. At these before and after school clubs, children are read with and they receive homework support, as these are run by in-house, trained staff.	4 5 6

Total budgeted cost: £ £81,000
